At Labadi Beach Hotel, over the past three decades we have placed particular emphasis on marrying the elegant surroundings and atmosphere of the hotel with a warm Ghanaian welcome and friendly efficient service. A combination of business and leisure at best.

This has proved to be without doubt the reason for our success over the years. It is also the way forward for the future. The team at Labadi is well equipped to make you feel at home and pampered.

Our Head Chef Akwetey Ahingwah and his team will wow you with their cuisine that will forever remain in your memory.

## Peter Piper Alliteration

**Alliteration** happens when two or more words that start with the same letter or sound are used close together in sentence.

Read the poem. Trace the dotted line under the words with the same beginning letter/sound.

Peter Piper picked

a peck of pickled peppers;

A peck of pickled peppers

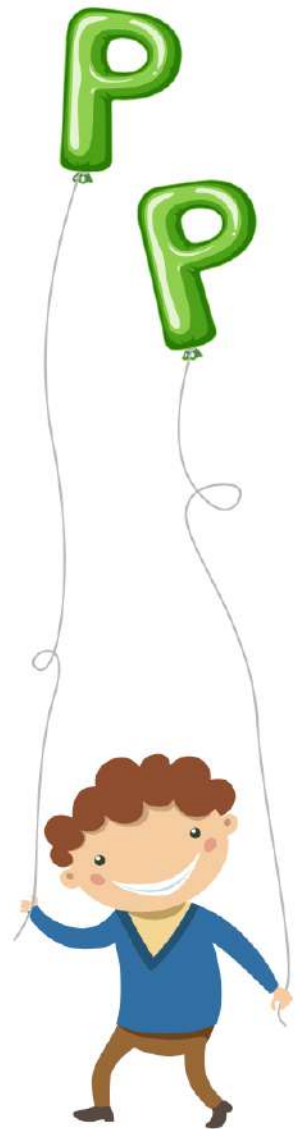

Peter Piper picked;

If Peter Piper picked

a peck of pickled peppers,

Where's the peck of pickled

peppers Peter Piper picked?
